Embroideries!

Nainsooks, Cambrics, Swisses are the foundations. And they are fine—not uneven, not coarse, not loaded or sized with starch. These are matched sets, including full and demi-full flouncings, allover, edgings and insertings in all widths, headings, galloons and motifs that may be separated. There are delicate effects in tuckings and French embroidery plain or combined with lace. There are elaborate designs in demi-flouncings for skirt ruffles and corset covers both in blind and open-work effects. St. Gall hand-run shutties do all the work. Margins are wide, scalloped are buttonholed and deep, strong and cut out. The same patterns running through several widths are appreciated by women of fastidious taste. Prices mean little apart from the goods. Come here and SEE what values you can get in edgings and insertings for 5c, 10c, 15c. In allover for 50c, 75c. In elaborate edgings, headings and insertings for 19c, 25c, 35c. In very fine allover for \$1, \$1.25, \$1.50.

ENGLISH PENANG, 12½c.

A justly favored cotton goods long identified with this house and entirely controlled by us, continues to merit the palm of superiority. Any detail of a fabric so well known is unnecessary—we simply call your attention to our strong line of patterns for 1903 and that the dye has been so improved, even the most delicate colors are guaranteed fast.

DRESS GINGHAMS, 10c, 15c, 18c, 25c.

The popularity of gingham never wanes. Manufacturers court fashion by every means. Grades have been raised, goods are finer, colors prettier, designs more individual and striking. In style and quality, we are positively giving more for the money in gingham this season than ever.

White Counterpanes

Dozens of them at prices peculiarly ours. It's like paying out a dollar and getting a dollar and a half in exchange.

At \$1. The newest Bedspread, basket weave, eleven-quarter size, more than Marseilles beautiful at less than Marseilles cost.

Good Towels—A Chance to Save.

Are you a thrifty woman? Then these towel offerings will appeal to you. But be quick, for such towels at the price do not linger long. Grass bleached hemmed huck towels, 22x35 inches, pure white or colored borders, 12½c.

Stockings

FOR WOMEN.

It's a long time yet to the season of light weight in hosiery. Here is a stocking that ought to interest every woman with two feet. At 15c a pair. Winter weight cotton, black with unbleached feet, split soles or all black, soles, heels and toes reinforced. Stockings dyed with a black that makes them stay black. There's importance in hosiery buying, as to how many profits you pay. For a long time we have reached past all middlemen and bought from the men who make hosiery. If we purchased in the ordinary way the stockings we describe today would be 20c instead of 15c.

D. HUNT & SON.

Unless these are presented for redemption by Saturday night, the 24th inst., those numbers will be considered void, and the amounts will be re-awarded, according to the terms printed on each certificate.

RESIGNED AS RECTOR.

Rev. Augustine J. Smith Has Accepted a Call to Richmond.

The Rev. Augustine J. Smith has tendered his resignation as Rector of the Church of the Nativity in this city, and has accepted a call to Grace Church at Richmond.

The resignation is to become effective March 1st.

The Rev. Mr. Smith has been connected as Rector of the Episcopal Church here for over two years and is one of the most eloquent that ever presided over the services at that edifice.

It will be with sincere regret that their friends learn of the contemplated departure of Rev. and Mrs. Smith from this city.

UNIQUE PLAN.

Will Turn Over Store to Churches For Two Weeks.

As a thank offering for the best Christmas trade he has ever had, Charles S. Deforest, a novelty dealer of Shelton, Conn., will turn over his entire store to the local Churches for two weeks.

There are six of these Churches, First Methodist, Congregational, Baptist, Church of Christ, Church of the Good Shepherd, First Unitarian and St. Mary's Roman Catholic, and they will take entire charge of the store and divide the profits.

A specially large stock of goods has been laid in for the purpose.

Attractive young ladies from the Churches will act as salesladies, and the Pastors will be in charge of the cashier's desk, while little misses from the Sunday-schools will open the doors for patrons and conduct them to the various departments.

The Churches expect to make more during the fortnight than they would in six months with the ordinary fair and socials.

WEEKLY REPUBLICAN—1907.
DAILY PUBLIC LEDGER—1893.

Proclamation!

By JOHN C. PECOR, Druggist.

Whereas, some time ago we caused to be published in the newspapers of this City a proclamation setting forth certain statements and claims for our new tonic and reconstructor, VINOL, Wine of Cod Liver Oil.

Know, therefore, people of this city that the facts, statements and claims made therein have since been most amply verified. Proof monumental and indisputable has been coming to us from all parts of the City which confirms beyond contradiction the fact that VINOL is a scientific and wonderfully successful remedy for the ills for which it is recommended, and amply justifies all our strong statements in its behalf, and the further statement that nothing ever dispensed from our drug store has equalled VINOL both in demand and real medicinal merit.

We again proclaim our offer to the people that we sell VINOL on a POSITIVE GUARANTEE. If it does not succeed in benefiting you we will refund the entire amount of purchase money.

There is no medicine that will cure everything, but if you are troubled with any of the following ailments we know that VINOL will help you. Anyway, you should give yourself the chance to be benefited by it, particularly as you take no risk in losing money if it does not help you.

Vinol is NOT a patent medicine. Everything in it is plainly printed on the label, and while it contains all the medicinal elements found in the Cod's Liver, it contains no oil or grease, and is as deliciously palatable as the most delicate glass of wine, — come in and test it — you will want more.

All Run Down—No Appetite.

If you feel all worn out, have very little appetite, and not much sleep, caused by over-work or sickness, try VINOL on our guarantee.

Debilitated—All Tired Out.

Why drag out an existence without life or ambition. It is not natural to feel continually tired. We guarantee VINOL will bring life, strength and vigor to the debilitated. If you do not feel well try VINOL. If it does not help you your money will be refunded.

Gain Flesh—Get Strong.

You can get fat without taking disagreeable Cod Liver Oil. Fat taken into the system does not create fat. We believe VINOL will create flesh quicker than any preparation containing grease. We have proved in many cases that VINOL quickly creates strength. Try it on our guarantee.

Indigestion—Dyspepsia.

Only those who actually suffer know its terrors, for them life is robbed of all joy. It produces many serious complications and enfeebles the entire system. Relief only comes when a scientific remedy enables the stomach to properly assimilate food. There is no medicine that will do this so successfully as VINOL. Try it on our guarantee.

Old People—Weak People

need a strengthening and invigorating re-builder. VINOL is of exceptional value in such cases. We guarantee it to give strength and health to those who are weak and debilitated, from disease or old age. Try it on our guarantee.

Pale Women—Pale Children

need a tonic-reconstructor that will create flesh and make pure red blood. Pale, haggard faces show that the blood is poor and thin, and also indicates imperfect digestion. VINOL will correct such troubles as sure as the sun shines. Children love VINOL, it is so delicious. Try it on our guarantee.

Bronchitis—Sore Lungs

often end fatally unless specially cared for in its early stages. There is no medicine more valuable for restoring health to the throat and lungs than VINOL, Wine of Cod Liver Oil. Try it on our guarantee.

Nervousness—Irritability.

Diseased nerves are due to over-work, insufficient nourishment or slow breaking down of general health. We guarantee VINOL, Wine of Cod Liver Oil to permanently and effectually cure nerve affections; it actually rebuilds the entire body. Try it on our guarantee.

Chronic Colds—Hacking Cough.

Sure signs of danger ahead. One might as well commit suicide as to let them go unchecked. VINOL is the very medicine needed. Unlike other Cod Liver Oil preparations, it does not upset the stomach, and it is delicious to the taste. Try it on our guarantee.

Nursing Mothers—Weak Mothers.

If women with nursing babies who have difficulty in keeping up their health and strength would take VINOL, we know positively that the best results would be obtained. You know the life and future development of the child depends upon proper nourishment. Try it on our guarantee.

TRY ON OUR GUARANTEE,

Vinol

WINE OF COD-LIVER-OIL.

You will absolutely be under no obligation to us whatever, if after you have given VINOL a fair trial for any of the above ailments and have received no benefit, you have only to tell us so, and we will return the entire amount of money you have paid us.

You see our faith in VINOL, and you must admit that we know something about medicine; therefore, when we tell you that VINOL is the most valuable preparation of Cod Liver Oil we have ever known, and a wonderful tonic-reconstructor, and re-builder of strength, appetite, and health, at the same time delicious to taste, we are not unreasonable to expect you to believe us.

River News

The Courier is again in her regular run.

The Indiana will be up tomorrow night for Pomeroy.

The Henry M. Stanley passed up last night for Pomeroy.

The Keystone State passed up early this morning for Pittsburgh.

The big towboat Oakland, reported to have burned, is tied up at Cottonwood Point, 122 miles below Cairo, on account of the ice.

Captain Burton, Master of the steamer Chester, has bought the ferry-boat Belle of Kaskaskia from Conrad Gruse of Menard, Ill. The boat operates between Chester and Kaskaskia Island, and will be kept in the same trade.

The steamer Mary F. Golden, now tied up at Vanceburg, has suspended business. The owners, one a farmer and the other a M. D., have decided they can make more at their respective professions, and have decided to charter or sell the boat. They have discharged the crew from Captain to cook.

Representative Kehoe has been informed by the Chief of Engineers at Washington that the work of completing the dam on the Big Sandy river will not be deferred until the completion of the dams on the Tug and Levisa forks of the river. As soon as the location is determined upon and the contract let for the fork dams, the Department will use the balance of the appropriation made in the last Congress for the dam on the Big Sandy river.

The steamer Helen M. Gould was sued Wednesday in the United States Court at Cincinnati by the Queen City Marine Railway Company on two accounts. One is for \$72 for repairs made to the boat, and the other for \$570 for money alleged to have been loaned in operating it. The boat was seized by Deputy United States Marshal Huwe and a man placed in charge of it pending the decision of the Court. Immediately on the filing of the suits Sam Parsons became a party to the proceedings and gave notice to the effect that he has a mortgage on the Gould duly recorded for \$11,500, only \$1,000 of which has been paid. He asked that the mortgage be priority over all other claims against it. The Gould is owned by Sam Pennewitt.

TAPE WORMS

"A tape worm eighteen feet long at least came on the scene after my taking two Cascarets. This I am sure has caused my bad health for the past three years. I am still taking Cascarets, the only cathartic worthy of notice by sensible people."

LESSON IN AMERICAN HISTORY IN PUZZLE

THE HEROISM OF MOLLY PITCHER.
Find a Colonial Officer.

Molly Pitcher's heroism at the battle of Monmouth has been chronicled by every American historian. Her husband was a cannoneer in Washington's army, and the brave woman was engaged in carrying water to him and his companions when a shell from the enemy's guns killed him. An artillery officer ordered the gun he had been serving removed, as there was none to take his place, when Molly asked to be permitted to serve it. An assent was given and the gun remained in action throughout the remainder of the battle. She was afterwards presented to Gen. Washington, who commissioned her a Lieutenant in the continental army, and congress voted her half pay for life.

WEAK LUNGS

Weak lungs are mostly due to a neglected cough. Only a small per cent. of the millions who have consumption inherit it. A slight cold, a tickling or hacking cough is the beginning, and after it has reached a certain advanced stage there is no ending except the grave.

Any case of consumption that is curable; that is, any one having consumption whose family or friends still hold on to a ray of hope, may take comfort in the knowledge of the fact that One Minute Cough Cure will give instant relief and finally cure.

This famous remedy does not pass immediately into the stomach, but lingers long in the throat, chest and lungs, producing the following results:

- (1) Relieves the cough.
- (2) Makes the breathing easy.
- (3) Cuts out the phlegm.
- (4) Draws out the inflammation.
- (5) Kills the germs (microbes) of disease.
- (6) Strengthens the mucous membranes.
- (7) Clears the head.
- (8) Relieves the feverish conditions.
- (9) Removes every cause of the cough and the strain on the lungs.
- (10) Enables the lungs to contribute pure life-giving and life-sustaining oxygen to the blood. Cures Croup and all Cough, Lung and Bronchial Affections.

CONSUMPTION CURED.

"My physician told me one year ago that I would die of consumption inside of a year. I commenced taking One Minute Cough Cure for my lung trouble and it cured me. I have gained 20 pounds and I am a pretty live 'dead' woman." One Minute Cough Cure saved me." MARY F. SULLIVAN, Grand Rapids, Mich. Pleasant to the taste. Good for Children. Good for every body.
